Agenda Item 7d (Consent/Information)

TO: Local Agency Formation Commission
PREPARED BY: Brendon Freeman, Executive Officer
MEETING DATE: June 5, 2017
SUBJECT: Release of Draft Plan Bay Area 2040

SUMMARY

This item is for information purposes only. No formal action will be taken by the Commission as part of this item.

On April 4, 2017, and following two years of public discussion and technical work, the Draft Plan Bay Area 2040 was released for public review (available online at <http://www.2040.planbayarea.org>).

As noted in the release message, the Draft Plan Bay Area 2040 is an updated long-range Regional Transportation Plan and Sustainable Communities Strategy for the nine-county San Francisco Bay Area. This document discusses how the Bay Area will grow over the next 20 years and identifies transportation and land use strategies to enable a more sustainable, equitable, and economically vibrant future. Starting with the current state of the region, this document describes Plan Bay Area 2040 and its goals, a proposed growth pattern and supporting transportation investment strategy, and key actions needed to address ongoing and long-term regional challenges.

Plan Bay Area 2040 is a joint effort of the Metropolitan Transportation Commission (MTC) and the Association of Bay Area Governments (ABAG). MTC is the region's transportation planning, financing, and coordinating agency. ABAG is the Council of Governments and official regional planning agency for the 101 cities and towns, and nine counties of the Bay Area.

Plan Bay Area 2040 is a limited and focused update of the region's previous integrated transportation and land use plan, Plan Bay Area (available online at <http://www.planbayarea.org/previous-plan>), adopted in 2013. A public workshop for Plan Bay Area 2040 was recently held in the City of Napa on May 15, 2017. For more information, including other workshop dates and locations, please visit <http://www.planbayarea.org>.
